CFS-1040 (01/09)

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who enters into a lease. This means that when you enter into a lease, we will ask for, among other things: (1) your federal tax identification number, and (2) your date of birth, if you are a sole proprietor. We may also ask to see identifying documents.
